BOOK CORNER

Author Randy Alcorn's book, *Heaven* is a three-part exploration of the place we so anticipate reaching after our present life. Interestingly, one of the motivations behind his devoted research is knowing that many people fear going to Heaven. Clearly, we need to understand Heaven better, and Alcorn has searched every passage in the Bible to discover God's word and Jesus' teachings on the subject as well as events, patterns, and others' stories. Alcorn is excited and wants everyone to put aside silly ideas of Heaven and really learn about it—because such knowledge will affect how you live your life today. Call # 236.24 Alc.
