POWER OF PRAYER

Prayer is a spiritual communication with God. When we learn of someone going through a rough patch in their life, words such as "I will pray for you" or "you are in my thoughts and prayers" are often spoken. Westminster's Member Care Committee would like to rejuvenate our church's Prayer Chain to support fellow members and their families going through tough times. If you are interested in being part of Westminster's Prayer Chain, please let the church office know. A member of the committee will contact you for further details to an easy and simple way to reach out to folks in need.

BOOK CORNER

Our book for this week - *Charles and Emma: Darwin's Leap of Faith*, by Deborah Heiligman -- was written for young adults and has won many awards in that category. However, the older adult audience will also find it interesting and worth reading. It portrays Charles as a quirky but warm, loving husband and father, with questions of faith in light of his scientific studies and findings. By contrast, Emma was very devout; she cared deeply about her Christian faith and she was frightened by his revolutionary ideas. This is the story of a beautiful love that triumphed in spite of the science/religion conflict -- biography at its best. Find it in the adult non-fiction at Bio Dar.
