

“Opening the Windows of Heaven”

CHILDREN’S ART SHOW

OCTOBER 2

What do children know of heaven? How will they express their ideas of heaven?

If you would like to be there and watch the magic unfold as they take crayon and paint to paper or as they work in the other mediums, consider joining us at Faith Village for one Sunday.

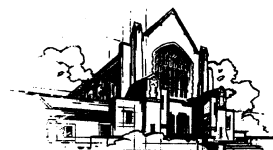

Choose which Sunday you can help for 35 minutes. Is it Aug. 28, Sept. 4, 11, 18 or the 25th? They will be working in three groups on three different projects.

Choose your age group. Is it the K-1st grade, 2nd-3rd grade or 4th-5th grade? Or would you like working with ages 11-13 on their project?

Their projects are ongoing and won’t be completed until the 25th. Consider coming each Sunday and watch in wonder as a child opens his or her window to their creative process.

You do not have to be artistic to be of help or have a child in the class. You can come alone or with a partner. Just come, join us, and be prepared to wonder, marvel and possibly....”Pass the blue paint, please.” Contact Betsy or Tiffany at 402-475-6702.
