**Childcare for the event will be available.**

- CEDARS Youth Services:** CEDARS continues to respond, giving hope to youth in need and direction to families struggling to stay together. It is the mission of CEDARS to help children who have been abused, neglected, and homeless achieve safety, stability, and enduring family relationships.

- Habitat for Humanity:** is a nonprofit, ecumenical Christian organization. They are dedicated to eliminating substandard housing worldwide and to making adequate, affordable shelter a matter of conscience and action. Our ministry was founded on the conviction that every man, woman and child should have a simple, decent place to live in dignity and safety.

**Project: We will have two groups: 1) Assist in building a house and doing related projects; 2) Prepare and serve lunch for those working**

- Kids Against Hunger:** is a nonprofit organization with the mission to significantly reduce the number of hungry children in the USA and to feed starving children throughout the world. We achieve this by harnessing the power of volunteers (ages 5 & up) to package highly nutritious food in over 50 food packaging satellites across the United States, 1 in Canada and 2 in Africa!

**Project: Putting together food packages to be shipped nationally and worldwide.**
