

Westminster Moving Up with The Rising!

It's here! Our new alternative worship service has arrived! Our goal has been to add a new style of worship to reach a new audience. We have dreamed about it, talked about it, planned for it, and it is finally here! We begin September 7 at 11: 30 am.

Because our two traditional services have such strong support, we are free to develop a new style of worship to reach a new group of people. I like the quote from movie hero Indiana Jones: "We're making this up as we go along." That spirit of playfulness, creativity and innovation is part of what is shaping this service right now. New ideas continue to arise. We know this:

- The music will come from contemporary-style instruments;
- This informal service will happen in Fellowship Hall;
- Interactive activities during worship will help build community;
- A more casual style of worship will help new experiences of faith;
- Worship will be approximately 50 minutes long.

Jana Miller is our newest staff member, and she will lead the band. Jana will be joined for the first few weeks by some of her musician friends. In the first few months, we will be looking for musicians from within and beyond the Westminster congregation to form a new band for this service. Anyone with musical gifts, instrumental or vocal, is encouraged to talk with Jana.

In one sense, nothing changes for the other two services. Yet in another sense, this new service will generate new visions. I believe we will gain ideas for music and ritual that will fit within our traditional services. So it will be a "win-win-win" for all of our worship services.

I have been asked, "What can I do to help support this service?" Great question! Three things:

#1: Attend the traditional service you normally do – the strength of our traditional worship is what will allow us the two years it will take to help this new service gain a solid following.

#2: Increase your pledge next month so we can strengthen all of our worship services. Christianity is a team sport where we all win if we all make a strong effort. We think we can reach another 200 people with the new service, but our pledges are what will make it possible.

#3: People who have no problem walking a bit to their cars may consider parking at the far side of the lot or even offsite. Help our new worshipers, who will arrive during the second service, to feel welcome with a parking place.

This is a glorious experiment! I'm sure we will have some challenges along the way. But I know this graceful congregation will support this new outreach in a multitude of gracious ways.

To God be the glory!

Rev. Andrew McDonald, Senior Pastor

Meet Jana

Jana Miller will be responsible for the music at our new alternative, contemporary service beginning September 7! Jana has a passion for contemporary Christian music, and has been involved sharing this type of music in our community for several years. She currently sings in a praise band ministry that performs throughout Lincoln for those churches seeking contemporary Christian music. She is also involved in local theater,

most recently performing "Oliver" at the Lincoln Community Playhouse and is on the Board of Directors there. She also volunteers at the Capital Humane Society as a humane education presenter. She is married to Steve, and they have three daughters. "I am so excited to play a role in developing this new service for Westminster, and look forward to making it incredibly meaningful for those that have a passion for this worship style."

Calling all musicians interested in contemporary Christian music! If you have a passion for this type of music and feel led to explore your interest, or love listening to alternative Christian music and think you have a gift in this area, let us know! We are seeking qualified musicians ages 16 and up to help with music for The Rising, specifically vocalists, guitarists, keyboardists, drummers, and sound and visual assistants, as well as any other talent you feel you would like to contribute to this ministry. To explore these opportunities, contact Jana Miller at jana@westminsterlincoln.org.

Living the Questions

Sundays September 28 to November 23 at 9:00 a.m. Lounge

People know that at its core, Christianity has something good to offer humanity. Yet many sense they are alone in being a "thinking" Christian and that "salvaging" Christianity is a hopeless task. *Living the Questions*, led by Rev. Jen Strickland, is for both seekers and lifelong churchgoers convinced of Christianity's relevance in the 21st Century. Explore the future of Christianity and what a meaningful faith can look like in today's world.

Bible Study: Gospel of Luke

Mondays beginning September 8 at 11:00 a.m. Lounge

If asked who are the major theologians of the New Testament, most Christians would mention Jesus, John and Paul. Few would think of Luke—and yet his two-volume work (Luke-Acts) amounts to approximately one fourth of the entire New Testament. This important gospel offers its readers a new way of living in the world that can be truly transformative.

The Gospel of Luke Bible Study will meet in the Lounge on Mondays from 11:00 a.m. to Noon. The class will be taught by Rev. Dr. Ken Moore. All are welcome!

***Sunday, September 21
9:00 a.m. Cole Hall***

As a community of faith, we believe God created our world and continues to redeem it. Because God calls us to be good stewards of our planet, we desire to be mindful of how we use and care for the environment and our fellow creatures. Our vision is a thriving Earth where all creation flourishes in a sustainable web of life! To

celebrate all that God has created and called "good," we will be hosting a Creation Fair! Visit our 7 interactive stations, where we will have games, art projects, live animals and sustainable snacks that highlight different aspects of creation. All ages are invited to come and learn, create, play and rejoice! In addition to our Creation Fair, families and friends of preschoolers will join us on September 21 for a special presentation at 10:30 a.m. worship and Preschool Art Show to follow. This is a great opportunity to meet our Preschool families and make them feel welcome at Westminster!

Speaking of the Earth... Green@Heart (formerly the Green Team) is curious about the congregation's interest in applying to the PC(USA) for certification as an Earth Care Congregation. There are only about 120 certified churches nationwide, and none in Nebraska. We believe we have high marks in the qualifying categories and might meet the requirements. There are four: Worship, Education, Facilities and Outreach. Tell someone on Green@Heart if you like the idea!

Faith Village Discovers God's Creation

All that we are and all that we have comes to us from God, who calls us to care for creation. During September, children will:

- Hear the story of Creation from Genesis
- Hear that God gave people the responsibility of caring for creation
- Explore stewardship and how to act as caretakers of creation
- Discover how to be caretakers of God's creation by working together
- Discover ways to use creativity, talents, money and time to serve God by caring for others, for the natural world and for themselves

Opening Hearts & Lending Hands

When you are in the pews or Garden Room next Sunday, take a look around. Chances are, you will see many of your friends, like Maggie Stuckey and Ernie Hines, Kevin Harford and Dorrie Gage. Friends like Deb Eastman, Alisha Stokes and Dan Schafer. Take a moment to thank them. These friends, and many others have answered the call to join the special group of hearts and hands it takes to nurture, teach and love Westminster's children by giving a few hours of their time in Sunday School. Those who have already volunteered are mentioned on the wall of honor down the stairwell to Faith Village.

Providing the solid, weekly Christian education we are used to takes at least 100 loving adults each school year. Whether you are called to be a familiar face in preschool, a caring shepherd in Faith Village, or a special guest for a month's rotation in Faith Village, there is a place for your heart and a need for your hands in Sunday School! - Emily Killham, CFM moderator

How do we help our children build a strong foundation for their faith?

By giving them strong blocks to build with and helping them build on a ROCK like the wise man in the Bible. Westminster's Session has adopted the Faith Building Blocks program for children and families. These 12 blocks begin with *baptism* and culminate in *confirmation*. Throughout the program year, each grade will have the opportunity to participate in a Faith Building Blocks experience. Most of the blocks are one session and an interactive opportunity for children and parents to promote strong and faithful families. To RSVP for upcoming FBB sessions, email Betsy Guyer at betsy@westminsterlincoln.org.

Preschool age children are welcomed by caring adults to this interactive Sunday School time. This Fall, children will learn that we are all children of God and hear stories about Noah, Abraham and Sarah, Joseph and Hannah. Through stories, songs, crafts and play, children will learn that they are beloved of God.

Faith Village 9:00 and 10:45 a.m.

(K-5th Grade) Lower Level

Faith Villagers begin each morning with a few songs and a chance to thank God for our blessings with an offering. Offering envelopes are available for kids to take home. Parents are encouraged to help their children make this a regular part of their Sunday morning routine. We are working on memorizing the Lord's Prayer. After large group time, children are divided into age groups and head off to workshops which all center around a common theme.

Preschool through 5th Grade Sunday School meets after the Children's Conversation during 10:30 a.m. worship.

congregation-wide effort has donated a full day of their time and energy to organizations such as People's City Mission, Habitat for Humanity and Kids Against Hunger. Questions? Contact Ken Govaerts at kkgovaerts@gmail.com.

DEACON SPOTLIGHT: Sydney Wirrick-Knox

The greatest blessing I have received from serving on the Westminster Board of Deacons is the opportunity to lead our awesome group in the planning and preparation of our annual Deacon Easter Breakfast for the past four years. You see, I love to cook! The problem is I don't know how to cook unless there are *at least* 100 to 200 people eating what I prepare. I often joke that I have to ask my dear husband, John Paul, how many eggs I need when fixing breakfast for just the two of us. So when I was asked to help with the Easter Breakfast, I knew I was in my zone.

This past Easter as my fellow Deacons were cracking eggs, cutting fruit and preparing sausage patties for cooking, I stated that I have made so many good friends while working in the kitchen at Westminster. It is a great way to really get to know other members of our church. I want to thank my fellow Deacons through the years for all the great experiences we have shared. I would also like to thank Westminster for allowing me to be a part of your Easter and this great congregation. Serving you through the work of the Deacons is my honor and my blessing.
