JUNE 2016

Confirmation Class 2016

Confirmation is a profound time of growth. It is two years of dedicated exploration of faith. Congratulations to the Confirmands in continuing their faith journey and joining the church.

They are taught by Dr. Christy Dempsey, who is the 20th Candidate under care of Westminster. She is studying at Dubuque Theological Seminary. One way Westminster supports its candidates is to give them opportunities to share in the ministry of the church. Dr. Dempsey will be preaching at all 3 services on Sunday, June 5th. Join us in hearing her share the good news!

2016 McCormick Prize for Innovation

We proud to announce that the ministry "World on a Plate" has been awarded the 2016 McCormick Second Place Prize for Innovation. The prize comes with \$1,000 for furthering the ministry. Rev. Jennifer Strickland entered the essay contest on behalf of "World on a Plate," a program that blends mission, stewardship, and fellowship. One Friday each month, small groups meet in each other's homes to share a potluck meal celebrating another country's cuisine. The countries are chosen based on where PC(USA) Mission Workers are serving, and during the evening one participant offers a presentation of the work being done in that part of the world by the Presbyte-

rian Church (USA). A free-will offering is taken after the meal and sent to the Mission Workers to continue their ministry. Countries the groups have focused on in the past include Ireland, England, Germany, Nicaragua, China, Korea, Philippines, Brazil, Russia, Peru, and many others. The group was founded by Kathleen Rohwedder and is now one of Westminster's most active small group ministries. Kathy always encourages new members to join the group. Feel free to contact Westminster for more information at 402-475-6702.

Adult Education on Sundays

Join us in June as Christy Dempsey regales us with tales of the Inquisition. The notorious Spanish Inquisition is only part of the story. As the Spanish monarchy attempted to unite their country under one faith, a system of investigation was developed that would reign terror in the church for centuries. Later, under the Roman Inquisition, Protestants would be scrutinized and Galileo would be convicted of heresy. Eventually, even witch trials evolved from the Inquisition. Come and learn more about this fascinating era in church history.

Westminster Bible Class

The theme for the summer sessions of Westminster Bible Class, which meets in the Parlor at 9 am, is "Toward a New Creation." As the title suggests, these lesson texts point us toward a new creation that comes in Jesus Christ. In June lessons explore the writing of the prophet Zephaniah which offer his vision of the coming day of the Lord and the consequences of disobedience to God. The Good News is that God intervenes to provide hope by choosing a remnant to be faithful to God and live in assurance and joy. You are always welcome to join the class one Sunday or throughout the summer.
