

2016 Westminster Annual Report

SENIOR PASTOR'S ANNUAL REPORT

The first thing Presbyterians do in worship is praise God. Sunday mornings, weddings, funerals – always, first we praise God for the gift of life and for watching over us. So I want to praise God for the gift of Westminster, and the wonderful gifts given to us this past year. Next I want to thank the congregation for its faithfulness in moving Christ's church forward in this past year.

To the Session, in the midst of all their work, we need to thank them for taking the time to thoughtfully ask, "What comes next?" Through a series of fruitful discussions, we will see some new directions and some re-energized priorities in 2017.

Generous members of the church have begun to increase the Westminster Foundation. With over \$600,000 in additional gifts and pledges, the Foundation stands at over \$3,000,000. In turn, the Foundation supported the church with over \$80,000. which enhances our ministries in a multitude of ways.

In addition, when the furnace broke in the administration building, the Foundation paid the bulk of that cost – \$160,000. We did not have an emergency financial campaign because the church had prepared in advance through the Westminster Foundation. We are grateful for people who have given to the Foundation by putting it in their estate plans. We hope other people will put the Westminster Foundation in their will and estate plans to take care of future generations, as those who came before us have taken care of us.

It is wonderful to see all the love generated by Member Care and by the Deacons. Westminster has so many friends who may not be able to get out to church often. But Member Care and the Deacons do their best to make sure our love is passed on and shared.

The New Member Ministry helps to reach out to people who are looking for a new church home. They helped to welcome in 44 new members into our church family in 2016. We are blessed to have all these new friends!

Jesus said, "I was hungry, and you gave me food, ...thirsty, and yet gave me drink..." (Matt. 25). We are blessed to have the love and resources to share with those in need, and grateful to the Mission and Outreach Committee for leading us in this effort.

This report just touches a few highlights of all that has been accomplished in the past year. For every act of faith, hope and love, we are grateful. Together, we are the church, sharing in the good news of Jesus Christ. Together, we say, "Thanks be to God."

In great gratitude,

Rev. Dr. Andrew L. McDonald

Senior Pastor

ADULT EDUCATION

The Adult Education Ministry of Westminster Presbyterian Church seeks to foster the spiritual growth of our members. This goal is accomplished through three venues. The first venue is the Westminster Bible Class, which is directed by Rev. Ellen Davis. This class meets on Sunday mornings to discuss the Bible, using *The Present Word* as its curriculum.

The second venue is comprised of the Adult Education lecture series. These classes are held on Sunday mornings and cover a wide range of topics. The 2016 programming began with a series on character matters with guest speakers Donde Plowman, Hank Bounds, Shawn Eichorst, Tom

Osborne, Kim Russel, and Christie Hinrichs. Other topics for the year included same-sex marriage, Nouwen's *The Return of the Prodigal Son*, water issues, tough theological questions, the Inquisition, the faith of our presidents and presidential candidates, the early church, emotions and the Bible, human trafficking, and images of Christmas. The 2017 programming will begin with "The Influencers", a series focusing on those who are shaping our community. Featured speakers include Sen. Kathy Campbell, Dr. Steve Joel, Pastor Tom Barber, and Pat Leach.

The third venue consists of classes held on Wednesday evenings in conjunction with WOW. Highlights of the 2016 WOW programming were classes led by Dr. McDonald on Biblical ethics and same-sex marriage and a Bible study on the Gospel of John. Other classes included a book study of Borg and Crossan's *The Last Week*, documentaries on water issues and evidence for the Exodus, and a series on storytelling. The 2017 WOW programming will begin with classes on Gallup's Strengthfinders.

In closing, the Adult Education Ministry would like to express sincere gratitude to the ministers, staff, and members who have shared their time and talents with us this past year. It has been a joy to work with you. We look forward to 2017 and are grateful for the guidance of Dr. Jimmy Shelbourn.

ADMINISTRATION & PLANNING

The A&P Committee's focus this year was on assessing the members of the Westminster congregation on a variety of church related themes. The survey process was led by Emily Killham and her firm, Evolve Performance Group. We are sincerely grateful to Emily and Evolve Performance Group for donating their time and efforts to this important endeavor.

The survey process started in the Spring and involved three main audiences: the congregation, session/deacons, and staff. Once the responses were compiled by Evolve Performance Group, the results were presented to session by Emily. Session subsequently devoted two additional monthly meetings to the survey results with thoughtful and constructive discussions. Moving in parallel to this process was a research project led by Alan Wachter and a vision task force subcommittee of session to measure Westminster against similar sized congregations using a host of metrics including membership trends, annual giving, and volunteer organization. The survey results and baseline metrics will now be used in developing the short-term and long-term planning processes.

At the December session meeting, a motion was approved to hire Emily as a consultant in 2017 to work with Dr. McDonald, the A&P Committee and session to develop the strategies, with this baseline data in mind, to grow Westminster.

Lastly, the A&P Committee has started the process to review the organizational structure of session including the committees and their respective procedures. It has been over fifteen years since many of these procedures were approved and now is the time to update the church's volunteer infrastructure to reflect our current membership levels and vision. By revising these procedures, Westminster will be in a much better organizational position to focus on committee goals in the coming year.

CHILDREN & FAMILY MINISTRY

The Children & Families Ministry had a very busy 2016!

The Missoula Children's Theatre returned in March for our Spring Break Drama Camp featuring "Rumpelstiltskin" with students K-8th grade putting on a complete production following a week full of rehearsals, fun and new friends. Drama Camp is a community service project that provides a safe & fun environment for kids over the school break.

Our "Eggstravaganza" continues to be a huge draw in the community, including crafts, music and the Easter story, followed by the ever-popular Easter egg hunt.

June's Vacation Bible School brought 67 children to our "Surf Shack" to catch the wave of God's amazing love. Throughout the week, the children collected \$364.58 through their offerings that was sent to Water for Life to help build a well in a community which needed a source of clean water. Mission giving such as this helps the children grow in their understanding of showing God's love through service to others.

In July, we welcomed our new Director of Children's Ministries, Barbara Hipple! We are thankful for the leadership and enthusiasm she has brought to our children's program.

Genesis Sunday kicked off the school year and our Sunday School programming. By year-end, our weekly children's offering was enough to purchase two baby goats for a village, providing milk and cheese for nutrition, and eventually for breeding more goats. Our kids are amazing!

In October our parking lot was the site of our "Spooktacular" trunk-or-treat event. We had 23 trunks decorated by congregational volunteers and over 550 kids received candy. This ministry to the community provides children a safe alternative to Trick-or-Treating.

Advent season started with "C is for Christmas". CFM's contribution to this Westminster staff-coordinated event was to organize the theme activities for "A Night in Bethlehem". Families were able to wander through the Bethlehem marketplace (Faith Village) and see what life was like when Jesus was born. In the Stable, they met Mary & Joseph and heard the story of Christ's birth. They visited the Scribe's Tent, Pottery Shed, Rooftop, and other stations.

CFM would like to thank the Westminster Foundation for supporting our ministry. Because of their support, we were able to purchase new biblical computer software to allow our children to learn God's word through technology. We are also thankful for our Westminster volunteers that continually help make all of our events successful and fun for our small friends!

MEMBER CARE

The three Ministry Goals are listed below with activities accomplished under each goal.

To Care for the Congregation:

Cook “N” Carry is administered by Dorrie Gage and assisted by 44 volunteers. The goal is to prepare and deliver meals during times of stress. During 2016, thirty-seven meals were provided. Additional cooks are always welcome.

Our Ministry provides the leadership for the Prayer Chain. When the church is notified of an illness or time of crisis and prayers are requested, the 71 members of the Prayer Chain are notified by an email. During the year, 64 individual requests for prayers were received. Volunteers also received a listing of members every week who need on-going prayers. Prayers are powerful and everyone is encouraged to join the Prayer Chain as a way to assist those who were going through difficult times.

Older Adult Sunday was held on May 8th. Approximately 75 cards were sent to members age 75 and over, inviting them to attend so we could recognize and honor them. We also coordinated an information resource table for Older Adults in the Garden Room on that Sunday.

“C” is for Christmas included sending approximately 100 Christmas cards to members who are not able to attend church. Gwen Hlava prepared the cards using a picture taken by Allen Wachter at a church service. The cards were available on two consecutive Sundays for members to sign. Our Ministry also placed third in the Chili Contest against some fierce competition.

To Encourage Participation in the Worshiping Community:

Presbyterians in the Park was held on June 26th. The Ministry organized and served fried chicken to approximately 110 individuals.

“Genesis Sunday” on August 14th included preparing a three panel board to explain our Ministry and recruit new members. We were successful in adding new volunteers to both Cook “N” Carry and the Prayer Chain. We also served cake following the 10:30 service.

Spooktacular- Member Care members each donated candy for this event.

To watch over and shepherd the Congregation, including regular oversight of Membership Rolls:

Member Care is responsible for a new Church Directory every four years with updates in-between. Pictures for a new directory will be taken the last week of March and first week of April, 2017.

Ministry Members: Joyce Douglas (Moderator), Gwen Hlava (Recorder); Ellen Davis/Jimmy Shelbourn (Staff Representative) Judy Buss, Dorrie Gage, Kathy Rohwedder and Kay Ballard

NEW MEMBER MINISTRY

New Members Spring 2016

The New Member Ministry set ambitious goals for 2016 and made progress in a number of key areas. We hosted six of the Journeying Together new member information classes and welcomed 44 new members into our church family this year. Membership stands at 1265 as of December 31st.

Our committee developed a “one sheet” new member profile that summarizes key information about members after they join; so this can be quickly distributed to all session members. This developed and implemented new reports that helped us understand the visitor counts at each worship service throughout the year. We continue to refine moni-

toring reports to hopefully help watch over the engagement of new members into the congregational life at Westminster.

The coordinated evangelism outreach to the greater community in a number of traditional ways including door hangers in the neighborhood and abroad as well as sending cards and letters to visitors in 2016. Also we began using social media more to promote Westminster in the broader Lincoln community. Campaigns ran for both Easter and Christmas Eve. Feedback has been positive, and hope to do more in the future. Our committee was grateful to see that our grant application to Homestead Presbytery was approved, allowing Westminster to continue its radio broadcast on KFOR radio on Sunday mornings; promoting Westminster and all the Presbyterian churches in the Homestead area.

Our committee is looking ahead to implement technology more to help gather more detailed information and interest intentions from those who join. A move that we hope will make the new member classes more about learning and a little less about information gathering.

Members include: Allen Wachter (Moderator), Rob Baltensperger (Vice Moderator), and Donna Wyatt served on the committee. Pastor McDonald is our staff representative to this committee.

Be inspired by the Bible verse “*Go and make disciples of all nations*” (Matthew 28:19). I hope you will consider joining the work of our ministry in 2017!

Respectfully submitted,

Allen Wachter, Moderator

PERSONNEL

The Personnel Committee welcomed new staff in 2016. Westminster hired Kim Effle as our Communications Coordinator and front desk staff. Barbara Hipple joined our staff as our Director of Children and Family Ministries. We also hired a new Parrish Associate, Rev. Dr. Jimmy Shellbourn, who began his duties in September of this past year. All three fill important needs in our church and have been welcomed by staff and members of the congregation. Westminster is blessed by the talent and experience each bring to his or her position.

Personnel Committee continues to review policies for the Westminster Employee Handbook and will update the policies as needed. We have also been partnering with Evolve Performance Group to implement recommendations from a staff survey conducted this past year. That important work will continue into 2017.

SMALL GROUP

World on a Plate 2016

Small Groups provide an excellent environment to deepen friendships, develop new relationships and grow in faith in our church community. A “small group” can be defined as any group of 3 or more people who have a specific interest or focus. Individual groups set their own agenda and schedule, and may invite friends and other members with similar interests to join. While some of our groups have been gathering for years, others will meet for a shorter period of time. Groups can choose to meet weekly or monthly; some meet just a few times per year.

The Small Group Committee serves as a resource to connect members of the Westminster church family by providing guidance and useful tools. In fulfilling our mission, the committee fosters community, growth and service.

In the past year, our efforts were reflected in a variety of groups:

Bible and Book Study Groups- Small groups that focus on study and discussion continued to meet this past year in a variety of settings and dynamics. The Small Group Committee coordinates many small groups in the church-wide Lenten study each year. Presbyterian Women of Westminster Circles engage in monthly Bible study, mission, prayer and nurturing of one another. Parrish Associate Rev. Jimmy Shelbourn started a new men’s group this year called *Sausage, Eggs and Scripture*. It meets on Saturday mornings for breakfast and a dynamic Bible study – most recently on the letter to the Ephesians.

Friendship and Fellowship Groups- *World on a Plate* members continued to explore international cuisine and Presbyterian Church (USA) missions every month in homes and at church. While deepening international awareness over homemade cuisine, a Bread Basket mission was collected every month to support PCUSA missions. Book lovers continue to gather for *Prairie Readers’* monthly book discussion group. Many other fellowship groups continued to meet, including *Lunch Bunch*, *History Buffs*, *Westminster Club*, *Faith & Cancer*, *Ladies Night Out* and *Barky Parkey* dog group.

Mission and Discipleship- Many of our Small Groups incorporate mission as an element or even the main focus of their existence. “I was in prison and you came to me.” (Matthew 25:36). *Turning Pages* is a small group that meets with inmates at the County Jail on Monday nights for “book club”. *Matt Talbot Kitchen & Outreach* small group and *Green @ Heart* were just a few of the groups that reached out in mission this past year.

Sports and Recreation Groups- With an active congregation, sports and recreation groups continue to grow. As an example, the *Tour de Friends* cycling group explored a variety of Lincoln bike trails while getting to know one another better and enjoyed God’s creation.

More information on small group opportunities can be found on the Westminster church website at westminsterlincoln.org under *Connect*.

DEACONS

Being a Deacon is a unique role. Alongside of Member Care, the Deacons are the “Love Committee.” We spent time in 2016 talking about how we can better share in Christ’s love.

Visiting our members with special needs is part of the love the Deacons share. The Deacons helped watch over 42 special friends. Time and again, our experience is that we get more than we receive when we visit these wonderful members.

The Deacons hosted 9 Receptions for Family and Friends of those who passed away in 2016. There were 1,245 people who were served. In these times of loss and sadness, it is a special privilege to help families spend some special time with family and friends.

Share-A-Ride offers transportation to those who wish to continue coming to church. The Deacons who are able to drive are glad to help in this way. However, we have a challenge in that there are more requests for rides than the Deacons have drivers. We need to ask other members of the congregation if they would be willing to drive even one day a month, to help us with this important ministry.

Dr. McDonald spent four months with the Deacons talking about the future. The Deacons ended up with a list of possibilities for answering our call more effectively. and having more focus on the core activities of the Deacons. We deleted some work that we felt took more energy than it gave, and have begun focusing on core activities that are central to the life of the Westminster Deacons.

2017 will begin with a retreat on Feb. 11, facilitated by Kathy Karsting and Ron Coniglio.

Thank you to all the Deacons who served in 2016:

WORSHIP MUSIC & FINE ARTS

This last year has been an active one for our ministry. Following are some highlights for the year.

New hymnals were purchased and dedicated. We were able to purchase enough for both sanctuary and chapel along with sufficient spares. Thanks to the generosity of members of the congregation the purchase was fully funded.

There were several musical highlights during the year, the Mozart Requiem on Palm Sunday, Hastings Choir this fall and recently the Wesleyan Jazz Choir and a special composition by Boyd.

The Rising service is continuing and attracting a growing group of worshipers who prefer a less formal form of worship. Our Sudanese members continue to have their own service in the chapel.

For our children, the Creative Arts Camp in July was very well attended and Masako did a superb job of putting it together. This year's Christmas Pageant was also a great success.

Special services for Easter, Worship in the Park and the advent season have also been successful.

We are very fortunate to have a dedicated group of volunteers who run our audio-visual equipment from the gallery. They have to improvise when things go wrong and do an invaluable job by preparing our services for broadcasting on radio and TV. Mike and Mary Tomlinson head up the Chancel Guild ensuring the pews are in order every Sunday.

I would like to thank all the choir members, bell choir members and musicians who do so much to enhance our worship services. A special thanks to Boyd and Masako Bacon for their hard work in facilitating worship which goes above and beyond what could be expected.

WESTMINSTER FOUNDATION

The Westminster Foundation had an outstanding year in our efforts to grow the assets of the Foundation. We reduced the General fund by \$58,829 due to giving the church \$160,000 for the new HVAC system in the Administration/Garden Room wing. We were able to increase the Endowment Fund by \$258,474.

At year end 2016 the balance of the General Funds within the Foundation were \$1,076,010. The year end balance in the Endowment Funds stood at \$1,950,921. This gives up a total Foundation balance of \$3,026,931.

Thanks to all that have supported the Foundation in the past and we hope others will feel inclined to help grow the Foundation in the future. The Foundation has helped to serve the financial needs of Westminster in many ways for many years. We look forward to doing the same for generations to come.

Thank you for your support!

YOUTH & YOUNG ADULTS

Spring Youth Retreat 2016

Mission:

The Youth & Young Adults (YAYA) committee is focused on the nurture of our congregational body from the 6th grade through college. We strive to provide programming in the transitional years between childhood and adulthood, with coordination between professional and volunteer youth leaders, that will:

- Foster Christianity as a lifelong journey

- Teach the principle tenants of our Presbyterian denomination

- Encourage the youth to grow into their own understanding of faith

- Help them understand the joy of sharing their gifts through mission

- Social: Middle Schools Youth Group (6th – 8th Grade) and High School Youth Group (9th – 12th Grade)

YOUTH & YOUNG ADULTS

Understanding the need to first capture the attention of our intended audience, before we can hope to extol our further virtues, we have two primary venues:

Educational: Middle School Sunday School (6th & 7th Grade), Confirmation Class (8th & 9th Grade), and High School Sunday School (10th Grade and up)

We plan extra-curricular activities at least once a month to further build relationships between the youth, the youth and their church, and the youth and their community. Some of the activities are segregated by age and others are combined. We also try to make sure that we are providing opportunities for fellowship, service, and education in our activities.

Throughout 2016 we saw a steady increase in attendance at our youth events from 3-5 attendees at some of the events earlier in the year – to almost 20 attendees at the New Years Lock-In event. The youth seem excited with the event programming, and the committee is very optimistic about the direction of our program headed into 2017. We hope to capitalize on the excitement and continue to build involvement through our 2017 programming. We plan to host several youth from our sister church in Lohmen Germany this July – and have begun talks of developing an overseas trip for our youth in the summer of 2018.

The confirmation class curriculum continues to be developed and taught by Dr. Christine Dempsey.

2017 will mark her 7th year of service in this capacity and the positive impact on our youth has been considerable. The committee is eternally grateful for her service and commitment to our youth as they take their first steps into full membership in our congregation.

Youth leaders Devon Nelson and Andrew Finkner have been invaluable in the recent successes our youth programs and education. Their ability to connect with, communicate with, and relate to the youth is far beyond what we could hope to accomplish as through solely intellectual machinations of a committee. They are literally the “boots on the ground” that carryout the collective vision of the committee and provide the feedback that allows us to focus and improve our efforts with each new event. I would be remiss if I did not also mention the mid-2016 addition of Barbara Hipple. Barbara contributes a standardization of our educational pedagogy and a tremendous institutional-knowledge to coordinate our committee efforts with the church business office.

I am grateful for the contributions of all the committee members, the staff, the youth, the parents, and the congregation that have helped make this program a success. God bless you all for your service in 2016 and looking forward to a great 2017!

CHILDREN & FAMILY MINISTRY FOR FEBRUARY

Faith Village on Sundays

9:00 and 10:45 am

In February, Faith Village Children will have the opportunity to explore The Great Commission through several workshops and a Mission Fair! This unit includes special guests that your children won't want to miss. Jesus told his disciples, "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them on the name of the Father and the Son and the Holy Spirit, and teaching them to obey everything that I have commanded you. And remember, I am with you always to the end of the age."
-Matthew 28:18-20.

Faith Village children have chosen a new offering project for this Spring. Offerings that they share will go to purchase chickens and kitchen kits to support those elsewhere in the world who need a steady source of nutrition or who are disaster survivors.

KINDERGARTEN OF EDEN at 10:45 am. Preschoolers experience God's love through play and learning about Jesus' life in interactive ways throughout February. The lessons include the following stories: the parable of the Sower, with a goal of learning to offer small gifts of faith trusting that God will make them powerful; Jesus feeds the multitude, helping the children name our gifts of service as gifts to God; Jesus walking on water, helping children to trust in Jesus when they are afraid; and listening to Jesus, so that the children might consider what it means to listen and to shine with Jesus' light. Let your child Grow in Grace and Gratitude! **GOOD NEWS!!** The same weekly Bible stories that your child hears in class, and activities to do at home, can be downloaded as an e-book –free!—for iBooks and Kindle at www.growinggracegratitude.org.

Organ Recital -- Monica Czausz

“This young lady just blew us all away. Beginning with a grand orchestral transcription (Dvořák’s Carnival Overture), Miss Czausz conveyed skill, confidence, color, melody, and energy, and captured the audience with the very first notes. And, it was all uphill from there! “- William Czelusniak, The Tracker, Spring 2016.
