If you have cotton or acrylic yarn that you would like to donate it will be used to make warm hats, scarves, and other things that we will give to our friends at the People's City Mission this fall. One person has made 114 scarves. Another is making stocking hats for men. We warmly welcome any one who knits or crochets. If you want to learn we'll teach you. We meet year round, just come when you can or make things at home and leave them at the front desk.
