What Can We Do To Conserve Energy?

March's Green@Heart theme is energy conservation.

What are ways you conserve energy in your home?

In your work? In your life? Being frugal with energy is an important part of our stewardship of God's creation.

How can we do better? It could be as simple as turning off the lights when you leave a room. I'll be sharing a few ideas and I'd like to have your ideas to share as well.
