## Our May Creation Challenge—

We had a lot of fun raising money & awareness to obtain solar energy for Westminster's use. So... what's better than getting our energy from a renewable source? Using less energy in the first place! We have been careless about turning out the lights when we leave a room. We're not suggesting that we sit in the dark. But it's simply poor stewardship to light up a room that's not occupied. Let's try to develop a better habit this month: Last one out, "Outen the lights!"

This Sunday's worship will be televised on Windstream channel 13 and Spectrum channel 1302 on Thursday at 12:30 p.m. and Saturday at 1 p.m. Listen to the current week's sermon on KFOR 1240 AM on Sundays at 10 a.m. or any time online at [www.westminsterlincoln.org](http://www.westminsterlincoln.org).

If you or someone you know has been admitted to the hospital, please contact the church office at 402-475-6702 to notify our pastors. It's helpful to know the hospital and length of stay, so calls can be made as requested.
