## **Come Now is the Time to Worship by Brian Doerksen**

Come, now is the time to worship. Come, now is the time to give your heart.

Come, just as you are to worship. Come, just as you are before your god... Come.

One day every tongue will confess you are God. One day every knee will bow.

Still the greatest treasure remains for those Who gladly choose you now

Come, now is the time to worship. Come, now is the time to give your heart.

Come, just as you are to worship. Come, just as you are before your god... Come.

One day every tongue will confess you are God. One day every knee will bow.

Still the greatest treasure remains for those Who gladly choose you now

One day every tongue will confess you are God.

One day every knee will bow. Still the greatest treasure remains for those

Who gladly choose you now.

Come, now is the time to worship. Come, now is the time to give your heart

Come, just as you are to worship. Come, just as you are before your god.

Come.

## **Nothin' Says Love (Like God Above) by Ben Heinisch**

I wrote a letter, to those that done me wrong. Some words were hurtful,  
my message pretty strong. Before sendin' it, I prayed to heaven and, heard a  
message that made me stay my hand, 'cause  
Nothin' says love like God. Nothin' says love like God. Nothin' says love like, God  
above and Nothin' says love like God.

When you're at war, and someone calls you out You got the urge to answer  
them with a shout. Just hold on, don't speak, Just turn your head around and  
give them the other cheek, 'cause

Nothin' says peace like God. Nothin' says peace like God.

Nothin' says love like, God above and Nothin' says peace like God

It's not easy, but in the long run you'll find that people want to be with someone,  
who shares your peace of mind.

People in need, deserve the time of day But don't brag about your help 'cause  
in the Bible they say if you're meek, you got merit, and the whole green old earth  
you'll inherit 'cause.

Nothin' says good like God. Nothin' says good like God.

Nothin' says love like, God above. Nothin' says love like, God above.

Nothin' says love like, God above. Nothin' says love like, God above.

Nothin' says love like,

God above Nothin' says love (6xs)

## **The Rising**

Rise up if you believe, Rise up if you need grace

Rise up to say a prayer, Rise up to greet today

Rise up to lift the fallen, Rise up to sing praise

Rise up it's time for realizing

In His service, we are rising. Rise up if you want to hear.

Rise up to make some noise. Rise up to listen close.

Rise up to raise your voice. Rise up for those that hunger.

Rise up for those in need. Rise up it's time for realizing.

In His worship, we are rising

Lift up your voice, it's here you belong.

Join us in song. Lift up your voice, it's here you belong.

Join us in song.

Rise up for those you love, Rise up for strangers too.

Rise up to give away. Rise up He gave his life for you.

Rise up to join in worship, Rise up to be at peace.

Rise up it's time for realizing.

In His worship, we are rising.

Rise up it's time for realizing.

In this service, we are The Rising!

## **Live Again by Andy Pappas/Jon Nite**

Water's rising here in our street

Storm is breaking up this town, but not this family

Wading through darkness, we move to higher ground

Holding her little hand, I feel what matters now

I'm still standing, I'm still praying. His amazing grace still washes over me

This life is not the end, He's giving me a chance to live again.

I keep on praying for my little girl. Swimming upstream in this crazy world.

She holds my hand tight and kisses my cheek.

Says, "Dad remember when we learned John 3:16.

We're still standing (Up on our feet). We're still praying (Down on our knees).

His Amazing Grace still washes over me. He's giving us a chance to live again.

Jesus loves me this I know.

Every verse I read, the Bible tells me so. Little ones to Him belong.

Everyone is weak but only He is strong.

Jesus loves me this I know (We're still standing).

Every verse I read, the Bible tells me so (We're still praying).

Little ones to Him belong (We're still standing).

Everyone is weak but only He is strong (We're still praying).

His Amazing Grace still washes over me.

This life is not the end, He's giving us a chance to live again.

## **PUT YOUR HAND IN THE HAND by Gene MacLellan**

Put your hand in the hand of the man who stilled the waters

Put your hand in the hand of the man who calmed the sea

Take a look at yourself and you can look at the others differently

By putting your hand in the hand of the man from Galilee

Every time I look into the Holy Book I wanna tremble

When I read about the part where a carpenter cleared the temple

For the buyers and the sellers were no different fellers than what I profess to be

And it causes me shame to know I'm not the guy/gal that I should be

Put your hand in the hand of the man who stilled the waters

Put your hand in the hand of the man who calmed the sea

Take a look at yourself and you can look at the others differently

By putting your hand in the hand of the man from Galilee

Mama taught me how to pray before I reached the age of seven

And when I'm down on my knees that's when I'm close to heaven

Daddy lived his life for eight kids and wife you do what you must do

But he showed me enough of what it takes to get you through

Put your hand in the hand of the man who stilled the waters

Put your hand in the hand of the man who calmed the sea

Take a look at yourself and you can look at the others differently

By putting your hand in the hand of the man from Galilee
