

SUNDAY ADULT ED FORUM

Faith & Athletics | Fellowship Hall | 9 AM

Who isn't aware of the impact of sports on our community, state and nation? It's easy to sense how pride in our state, or high school, rises or falls with the success or disappointment of our sports teams. People of faith are impacted by this phenomenon from the inside and from afar. Let's explore how faith and sports interact by hearing from some well-known and some local experts.

August 5 | Chad Cade is a long time softball and baseball coach and leader. He has worked with countless Lincoln players over the years including Alex Gordon (Kansas City Royals).

SUNDAY ADULT BIBLE STUDY | Parlor | 9 AM

Coffee and donut holes are waiting along with a friendly, spirit-filled group of friends.

August Creation Challenge

If you haven't thought about carpooling to church, work or school, please consider it and give it a try. According to tickettoride.org, the average car pooler can cut out as much as \$600 each month on the cost of their commute and carpooling just twice a week keeps 1600 pounds of greenhouse gases out of the air each year. So, you can save money and be good to the earth at the same time! Because of YOU, Westminster is Green@Heart.
