## OCTOBER CREATION CHALLENGE TIP:

Here's one thing you can do to reduce the volume of unwanted mail, from Westminster's Green Team:

Be aware that in most cases you do not have to fill out a warranty card to benefit from the warranty. The card is a jackpot of information that is often sold to other companies who want to market products to you. Read the card carefully to determine whether you must return it. You can, in most cases, also check a box that says "Do not send me unrelated offers or share my name with other marketers".

## FOOD PANTRY

Current suggestions are: cooking oil 16 oz, instant potato flakes 15 oz, pancake syrup 24 oz, canned fruit 15 oz, canned vegetables 15 oz. Thank you for your continued support & helpful contributions.
