

# STEWARDSHIP

## THANKS WESTMINSTER

Thanks Westminster, for our Vision, as we prepare for 2023 and beyond and rejoice in God's blessings every day. Below are highlights of our work in 2022, along with our 2023 Dream Storytelling Budget. These 2023 figures include the cost of a search process for a new Associate Pastor to help us reach our dreams and grow in all ways toward the church God is calling us to be!

### Thanks Westminster, as we seek...

#### To expand our lives in faith...

Thanks Westminster, for our wonderful Sunday worship service, for Pastor Chris, for Associate Pastor Jimmy, for our superb staff members, for John Ross at the Organ; for our pitch-perfect choir; for our new music director Ronnie Zanella; for new 'green' LED lights and digital sound board for the sanctuary; for our facility staff and maintenance partnerships.

Thanks Westminster, for nurturing our children and youth, through pre-school, Faith Village, camps, Vacation Bible School, Confirmation classes, etc. as each child is a treasure in the life of our church.

As we seek to grow and "expand our lives in faith" in continuing and new ways in 2023, we propose that 1/3 of our budget will help us meet those goals through worship, education, and opportunities for nurture and faith-formation.

**Budget Goal: 333,000 / 33%**

#### To connect people deeply...

Thanks Westminster, for our dutiful Deacons as they assist with all matters of our members; for our Life Groups, Presbyterian Women, Green @Heart and our new Wednesday "LiNK Nights" each, making us happy just being together.

As we seek to "connect people deeply" in continuing and new ways in 2023, we propose that 1/3 of our budget will help us meet those goals through Life Group support, New Member materials, upgraded Visitor bags, advertising, and keeping the building open for outside groups.

**Budget Goal: 333,000 / 33%**

**To make a difference through service...**

Thanks Westminster, for lending a hand to those of great need in our church neighborhood and throughout our city; for supporting our Sudanese members and friend for over 20 years and continuing to support many refugee groups, as they prepare to make Lincoln their new home; for being a welcoming place of worship for ALL citizens of Lincoln.

Thanks Westminster, for facilitating partnerships and service opportunities with organizations such as Habitat for Humanity, People City Mission, Gathering Place, and Presbyterian Disaster Assistance.

As we seek to “make a difference through service” in continuing and new ways in 2023, we propose that 1/3 of our budget will help us meet those goals by expanding our outreach budget for giving, providing hands-on service opportunities and materials for all ages at WPC, and to share with our members and neighbors through a Pastor’s Discretionary Assistance Fund.

**Budget Goal: 333,000 / 33%**

Total Dream Budget Goal for 2023: \$999,000 to be evenly distributed in each area of our vision, “To expand our lives in faith, connect people deeply, and make a difference through service.” Thanks Westminster in your support of our Stewardship Goals for 2023 and beyond!
